

# EuroGP2006 & EvoCOP2006 & EvoWorkshops2006

10-12 April 2006  
Budapest, Hungary

## REGISTRATION FORM

The SINGLE registration for EuroGP-EvoCOP-EvoWorkshops includes:

- Attendance at *all* conference and workshop sessions (two conferences & eight workshops)
- Three copies of the proceedings (one each for EuroGP-EvoCOP-EvoWorkshops)
- Lunches and coffee breaks at the conference venue over three days
- One ticket for the conference reception held during the evolutionary art/music exhibition
- One ticket for the conference dinner and Danube River cruise (additional tickets available to purchase)
- A three-day transport ticket for unlimited use on Budapest buses, trams and metro

Advance registrations are generously discounted but late registrations are heavily penalised so take advantage of the **early discounts by registering before 15 March**. Conference registrations are available on a first-come first-served basis, with the organisers reserving the right to limit places if necessary. Registrations close on 5 April, and financial penalties will apply to those who simply turn up onsite. Half price student discounts are available for those registered at an appropriate academic organisation. You must be able to prove your student status if required.

If you are not an EU national, you may need a visa to enter Hungary (see [www.mfa.gov.hu/](http://www.mfa.gov.hu/)). Leave plenty of time for the application process. Letters of invitation for visa purposes will only be prepared for authors of accepted papers or for serious conference delegates working or studying at recognised institutions carrying out relevant research, whose registration fees have been paid in full.
